

Beginning in mid-2010, the National Society Daughters of the American Revolution will only provide copies of membership applications and supplemental applications (i. e. “record copies”) in the form that follows.

WHAT HAS CHANGED?

To protect the privacy of current members of the NSDAR the original page one of each application is replaced with a printout that provides the name of the member, her national number, the date her application was approved for membership (where available), and the name of her patriot ancestor.

LIMITATIONS TO COPIES OF APPLICATIONS

The Daughters of the American Revolution, through the DAR Library Copy Services Office, provides copies of previously verified applications and supplemental applications, when available. DAR does not guarantee that the information found on any application is the most current or that it is now accepted by the DAR Genealogy Department. The copies are sent as another tool for use in your research. **Please note: DAR does not have information on every patriot serving during the American Revolution, only those established by our members.**
