a large double frame barn, the main part of it being ninety feet long. The improvements all told are first-class.

Mr. Merrill was married March 17, 1866 to Miss Eliza A. Olmsted. She was born in Ontario, Canada, and came with her parents to Michigan when nine years old. She is a daughter of William I. and Elizabeth P. Olmsted, the former a native of Canada and the latter of New York. Our subject and his wife have had four children—Sarah E., Clara E., Emma C. and Fred W. The eldest is deceased; all the others are at home, and they are bright and well educated young people. They graduated at the Flint High School and have had extra advantages, and all of them have been engaged as teachers. Fred took a business course at Albion College. Mr Merrill was reared a Democrat and remained so until 1872, when he became a Prohibitionist. He has been candidate for Registrar of Deeds and has served in several instances in the settlement of estates, also acting as guardian. Mr. and Mrs. Merrill and their children are members of the Methodist Episcopal Church of which he is a Class-Leader. Our subject owns one hundred and twenty acres of land and raises all kinds of stock and products.

GEORGE TITSWORTH. The subject of this sketch, now a citizen of Lapeer Township, Lapeer County, came from good old stock, his father, Jacob Titsworth, having served his country in the War of 1812. He was a native of Pennsylvania where he carried on farming. His grandfather, Marcus Titsworth, was also a patriot, having been a Revolutionary War veteran, and lived to the good old age of ninety years. The mother of our subject was Jane Vantine Titsworth, a native of Cayuga County, N. Y. She was descended from old Dutch stock and was born in New York. Mr. and Mrs. Titsworth were married in Cayuga County and emigrated to the western part of the State, before the War of 1812, in Erie County, where they remained until they came to Michigan.

in 1836, settling in Oakland County on a raw farm of one hundred and sixty acres in Groveland Township. He improved the farm very much and died in 1861. They were the parents of six children, three of whom are now living—our subject, Ellen Russell (a widow) and Jacob Titsworth of Goodrich. The parents were members of the Methodist Episcopal Church in which they were active and beloved members. Mr. Titsworth is also active in politics, being first a Whig and then a Republican.

Our subject was born December 30, 1821 in Erie County, N. Y. He came to Michigan at the age of thirteen. His early education was received in New York previous to his moving to Michigan. Starting on his own resources at the early age of sixteen years, he worked on a railroad for one year, afterward working on a farm until he was married and obtained means to settle for himself. He was married October 9, 1842 to Mary Ann Parker, daughter of Lyman Parker, an early settler of Oakland County, settling there in 1836 and a prominent farmer in his day. Both parents have been dead for many years.

Mrs. Titsworth was born October 24, 1822 in the State of Ohio and was there educated in the district schools. Her death occurred May 19, 1891 and she lies peacefully at rest in the Clark Cemetery near Hunter's Creek. Mr. Titsworth and his estimable wife were the parents of four children, two of whom are now living: Milton was married to Lucy Morris and lives in Lapeer Township; they have a family of six children. Chauncy L. was united in marriage with Libby Walker, and lives on the home farm; they have two daughters.

Our subject after marriage settled on his little farm of sixty acres in Atlas Township, Genesee County, this State. It was all raw land and covered heavily with timber. He built a log house there and sturdily began life, determined to succeed. He remained on this farm until 1866 at which time he had one hundred acres, all of which he had improved himself. He sold it in 1866 and removed to his present farm, which was but roughly improved when he bought it. With hard work and perseverance he now has acquired a fine property of one hundred and sixty acres, one hundred and ten of which are under fine cultivation.

This was stumped, stoned and cleared by his own hard and persistent labor. He has a fine barn which cost him \$1,600 and a comfortable residence costing \$750.

The residence in which the son of our subject resides, was standing on the farm when Mr. Titsworth bought it, and there was also a windmill and well on the place. Mr. Titsworth carries on general farming dividing his land between grain and stock. Eight years ago he engaged extensively in the sheep business having a fine stock of Spanish Merinoes and thoroughbreds. Out of his flock of sixty, many are registered. After a life of arduous labor he is now reaping the reward of his efforts, having retired from active work and living in peace and comfort.

In addition to his farming operations, Mr. Titsworth successfully engaged as a Veterinary Surgeon for thirty years or more, and was sought after in many townships around. He and his deceased wife were honored and active members of the Methodist Episcopal Church for thirty years during which time the husband acted as Class-leader and Steward of the church. His present membership is at Metamora. His son, Milton, is now Superintendent of the Baptist Sunday-school at Hunter's Creek and is much thought of for his work's sake. Mr. Titsworth gave all his children a good practical education. In politics he always casts his vote with the Republican party. Mrs. Titsworth was a good Christian woman and a most devoted wife and mother, kind and tender hearted and beloved by all who knew her. As a wife the thirty-first chapter of Proverbs aptly describes her. The following verses are dedicated to her memory:

"Religion filled her soul with peace
Upon her dying bed;
Let faith look up, let sorrow cease,
She lives with Christ o'er head.

"Yes, faith beholdeth where she sits,
With Jesus clothed in white.
Our loss is her eternal gain,
She dwells in cloudless light."

The eldest son of Mr. Titsworth enlisted in the Thirtieth Michigan Regiment at the beginning of the late war and served six months. Becoming sick he obtained a furlough and was taken home
